

Mercedes-Benz C250 CGI W204 MY10

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– this would have to be one of the best 2010 update series Mercedes Benz C250 CGi Avantgarde sedans we have ever come across – it literally is like a brand new car
– Zircon silver with black leather interior
– loads of features and a full Mercedes Benz history as well as having a spare remote key
– the C250 is so much better in a lot of ways than a C200 aside from more power.
– they were around $15-20K more expensive when new in 2010
– only 105,000 klms since new
– November 2011 registration
– all the paint, interior, head lining, tyres, gutter rash on wheels are all literally unmarked
– we really are so proud of this car and literally wait months for cars like this to come up
– please take out the time to come and see this car as we think that the first person to see this car will purchase it
– dual zone climate control air conditioning
– pop-up navigation
– parking sensors all round
