## Description

\*\* Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney \*\*

– Zircon silver with black leather interior

– loads of features and a full Mercedes Benz history as well as having a spare remote key

– the C250 is so much better in a lot of ways than a C200 aside from more power.

– they were around \$15-20K more expensive when new in 2010

– only 105,000 klms since new

– November 2011 registration

– all the paint, interior, head lining, tyres, gutter rash on wheels are all literally unmarked

– we really are so proud of this car and literally wait months for cars like this to come up

– please take out the time to come and see this car as we think that the first person to see this car will purchase it

– dual zone climate control air conditioning

– pop-up navigation

– parking sensors all round
