

Mercedes-Benz C250 W204 MY11

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– this lovely Mercedes Benz C250 Avantgarde Sedan has only travelled 51,000 klms since new
– this is the newer MY12 series with the face lift
– it’s a light metallic grey with the pale grey leather interior
– log books are up to date
– this is a very well looked after car that was just recently traded in on a new car
– being the Avantgarde you get the newer upgraded navigation system, reversing camera, bluetooth and a nice set of factory alloy wheels
– being an MY12 you have the navigation built in to the dash and not a pop up style
– these C-Classes are a great car but it’s important you find one which has been loved. We are very proud of this example and look forward to showing you in person one day soon
– we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
