

Mercedes-Benz C250 W204 MY12

Description

This update 2012 Mercedes Benz C250 CDi Avantgarde AMG edition turbo diesel sedan is immaculate in every regard and has only travelled 82,000 klms since new with a brilliant servicing history. Metallic black with black leather interior looks superb and this car has a very tight, new feeling about it still. With Avantgarde models you get a very nice finish inside the car and this car has loads of options. Vision package is on this vehicle which consists of Harmon Kardon sound upgrade, Panoramic sun roof, Bi-Xenon headlights which are active whilst driving and so much more. The factory AMG alloy wheels look great as do the sportier seats inside (but still very soft and comfortable) and we are confident you will fall in love with this automatic four door sedan as soon as you see it in person. We have been selling Mercs for around 25 years and know a very good car when we see one and this really is a special example of this series. With wider colour screen navigation, blue tooth, parking sensors, all new headlights and tail lights compared to the 2011 series car which make it look fantastic. We are so proud of this C250 sedan and hope you will get as excited as we are when you come to our showroom. We are also sending this car to a well renowned Mercedes specialist here in Sydney for a complete check over and service prior to being sold.

The Oldtimer Centre® is located at 29-31 Antoine Street, Rydalmere, NSW 2116.
