

Mercedes-Benz C280 W204

Description

This stunning 2008 Mercedes Benz C280 Avantgarde has factory Navigation from new and is one of the best C280's we have seen in a long time. It was sold and serviced by a combination of Mercedes dealers and specialists since new and has only travelled 80,000 klms with spare remote keys. The exterior is Zircon silver with grey leather interior and it has the most amazing feel about it, blue tooth technology and the beautiful Avantgarde styling inserts. The car is in superb original condition and has been garaged it's whole life from what we can tell. The log books and present and these 4 door sedans with the 3.0 litre V6 engine are superb to drive and actually don't use up massive amounts of fuel. This car is registered here in NSW until May 2018 and in our opinion is priced very well considering other cars we have recently sold.
