Mercedes-Benz C350 MY2006

Description

There are so many C-Classes on the market and this one has all the great things going for it. It's a 2006 Update which was the last of the series, it's a C350 which was the top of the range V6 with the newer 3.5 litre engine and has the very desirable 7-speed transmission which was seen in all the later model Mercs. Cubanite with pale grey leather interior, a factory sun roof, satellite navigation, parking sensors all around, alloy wheels and a perfect Mercedes Benz service history from new all from authorised dealerships. Currently registered here in NSW until Ma7 2018 this is a very tight, very impressive car to drive and to look at. The panels are not dented or damaged, the lights are not faded and the interior as you would expect is way above average. A very well priced car we think and hope you agree.
