

Mercedes-Benz C63

Description

Brand new at $170K plus on road costs In 2014 this stunning Mercedes Benz C63 AMG Coupe “Edition 507” was basically the best value sports car in the world. Now just a few years old and only 21,000 klms with a complete dealer service history from its one owner, this car doesn’t have a mark on the bodywork or the interior. A quick list of the key standard features aside from the extra 37kW you get includes Map Pilot navigation, COMAND online multi-media system with 10GB music register, Bluetooth with audio streaming, Harmon Kardon Logic7 dolby surround sound, Nappa leather upholstery, ‘Thermotronic’ climate-control, AMG instrument cluster with race-timer, 19-inch black AMG light-alloy wheels. This obsidian black with cream and black leather/suede interior is just gorgeous and this “last of the series” Edition 507 coupe is stunning in every regard; it has keyless entry, blue tooth, reverse camera, blind spot detection, panoramic sun roof, all the alloy wheels are not marked and it’s registered in NSW until the end of October 2018. This is a car open to any inspection, has the two original keys, and the previous owner we have met through a friend or ours and from what we can tell has not mistreated or driven this car hard at all. Having suffered it’s depreciation already this is the perfect way to get into the Edition 507 AMG two door market for a very sensible price and this is a car that even though you could buy sight unseen we would love to meet you in person and take you for a test drive to show you just how good the car is. We are very proud to offer cars like this for sale and we look forward to meeting you one day soon.
