

Mercedes-Benz CL500

Description

At around $300K when new in 2007 this simply outstanding 7-speed 5.5 litre W216 Mercedes Benz CL500 pillarless flagship coupe is one of those cars you will never ever want to sell. Obsidian black with light cream leather interior, log books from Mercedes Benz from new as well as specialists, recently re-registered in NSW for 12 months and the overall quality of this lovely car with 110,000 klms since new really is worth considering in person. The cars are fitted with every conceivable option you could hope from air conditioning in the electric seats, blue tooth, factory satellite navigation, reversing camera, the very very rare Navy Blue leather dash, AMG factory 19 inch wheels, Xenon lighting, and this one also has the following extras too; wooden steering wheel with leather, night vision which gives you infra-red vision for country driving where the speedo normally lights up, keyless start feature and soft closing doors. It really is one of the most sensible luxury cars you can buy when you consider the value for money compared to the new car price, safety features and superb styling even at 10 years old. A true credit to Mercedes Benz and it’s previous owner.
