

Mercedes-Benz CL500 C215

Description

This car is simply as good as it gets when it comes to a 15 year old Mercedes Benz. This update 2003 series CL500 has travelled a very well documented 142,000 klms since new and has an up to date service history. With 12 months NSW registration, both original keys, stunning alloy wheels from the factory and Zircon silver with darkest grey leather interior really make this one of the most desirable pillar-less coupes. The wood grain interior, wooden steering wheel, good tyres and the paint, dash, headlights, leather and door trims are all in exceptional condition for a ca of it’s age. What a superb example this is and you really have to come in and see this car in person. This is a car you could confidently purchase over the phone and we are so so proud to be able to offer it for sale to you. One of our two in-house mechanics will still have a very good look over this car before it goes to the new owner. We look forward to meeting you one day soon.
