Mercedes-Benz CL500 C215

Description

This car is simply as good as it gets when it comes to a 15 year old Mercedes Benz. This literally won the concours the Mercedes car club holds each year being a 2002 CL500 Coupe with only 57,000 klms since new and literally a 9.9 out of 10. Perfect log books from Mercedes, receipts, stunning alloy wheels from the factory and Zircon silver with grey leather interior really make this one of the most desirable pillarless coupes we have ever come across. The wood grain interior, wooden steering wheel, the tyres are like new and the paint, dash, headlights, leather and door trims are all perfect. What a superb example this is and you really have to come in and see this car in person. It's that good and is registered until March 2019. This is a car you could confidently purchase over the phone and we are so so proud to be able to offer it for sale to you. One of our two in-house mechanics will still have a very good look over this car before it goes to the new owner. We look forward to meeting you one day soon.

Here at the Oldtimer Centre® we are located at 101-103 Illawarra Road, Marrickville NSW 2204. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely

competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don't buy our cars from auction houses and we are located only 10 minutes from Sydney Airport in three indoor showrooms. Extended warranties are available from an excellent company and our main aim is to form an ongoing relationship with you for many years. We're also an agent for the NSW Roads and Maritime Services so transfer of registration etc can be done at our office. Please contact us for a very personal experience and as always a great deal on price.
