

Mercedes-Benz CL500 C215 MY05

Description

This 2005 Mercedes-Benz CL500 is a special car. Being the second last year of the C215 chassis with all the updates and a very sensible 115,000 klms since new with a good servicing history. Every conceivable option was equipped on this Benz, some of the highlights include: Heated, ventilated and massage seats, update navigation unit, automated boot, HID headlights, tri-zone climate control, ABC (Active Body Control) suspension system and so much more. Finished in Obsidian over black leather this CL500 has to be seen and driven to be fully appreciated. These cars were the flagship model range of Mercedes at the time and were well up towards $300,000.00 when new. They cruise effortlessly and handle like only a German super cruiser can do. We think our example is currently one of, if not the best on the market and certainly so if you are considering one of these very special cars we would love to hear from you.

The Oldtimer Centre is located at 29-31 Antoine Street, Rydalmere, NSW 2116.
