Mercedes-Benz CL500 C216 MY08

## Description

This April 2009 Mercedes Benz CL500 has a full Mercedes Benz service history from new and has been a one owner since new we are told. We have purchased the car here in Sydney and are so proud to offer it for sale and it's travelled 54,000 kms since and it's just gorgeous in every regard. Zircon silver with full black leather trim, night vision via an infra-red camera, air pneumatic seats, factory alloy wheels with mild body kit and wood grain steering wheel and dash. At our dealership we just sold an MY08 with 41,000 kms for \$89,950.00 which really does make this car excellent value for money and one that should hold its value so well moving forwards. These cars were almost \$300K when new and not only does this 5.5 litre V8 CL500 drive perfectly but all the paint, interior, head lining, door trims, carpets, under bonnet and headlights are literally all like new. This is a car that to fully appreciate you need to come in to our showroom and have a drive of. We love these CL's and hope you agree that they were the Merc coupe of the decade 8 years ago. Spare keys are present and everything works perfectly including the rear electric blind and self closing doors. What a credit to the previous owner.

Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who

are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don't buy our cars from auction houses and we are located only 10 minutes from Sydney Airport in three indoor showrooms. Extended warranties are available from an excellent company supported by Lloyds of London and our main aim is to form an ongoing relationship with you for many years. We're also an agent for the NSW Roads and Maritime Services so transfer of registration etc can be done at our office. Please contact us for a very personal experience and as always a great deal on price.
