Mercedes-Benz CLC200 Kompressor CL203

## Description

There are just some cars that we get so excited about here in Sydney and this 2010 Mercedes Benz CLC200 Kompressor Evolution hatch is one of them with just 106,000 klms since new and a full up to date servicing history from new all from Benz dealerships. Charcoal grey with two-tone grey leather trim, panoramic sun roof, alloy wheels, bi-Xenon headlights, blue tooth, factory satellite navigation, and parking sensors all round this really is great value for money with basically nothing to spend. Fold down rear seats, dual zone climate air conditioning, cruise control and speed limiter, both original keys, continental tyres and this is a car that we are so so proud to sell as we are very confident that nothing will go wrong with it as long as you keep looking after it like the previous owner has. With NSW registration until June 2018 these CLC200's were only made for a few years and are holding their value very well.

Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don't buy our cars from

auction houses and we are located only 10 minutes from Sydney Airport in three indoor showrooms. Extended warranties are available from an excellent company supported by Lloyds of London and our main aim is to form an ongoing relationship with you for many years. We're also an agent for the NSW Roads and Maritime Services so transfer of registration etc can be done at our office. Please contact us for a very personal experience and as always a great deal on price.
