

Mercedes-Benz CLC200 Kompressor CL203

Description

There are just come cars that we get so excited about here in Sydney and this 2009 Mercedes Benz CLC200 Kompressor hatch is one of them with just 81,000 klms since new and a full up to date servicing history from new. Zircon silver with dark grey trim, panoramic sun roof, alloy wheels, bi-Xenon headlights, blue tooth and parking sensors all round this really is great value for money with basically nothing to spend. Fold down rear seats, dual zone climate air conditioning, cruise control and speed limiter, both original keys, continental tyres and this is a car that we are so so proud to sell as we are very confident that nothing will go wrong with it as long as you keep looking after it like the previous owner has. With NSW registration these CLC200's were only made for a few years and are holding their value very well.

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116.
