

Mercedes-Benz CLK-Class CLK350 Elegance

Description

** Since 1994 our family run business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

** WINNER of the 2020 Local Business awards for Outstanding Automotive Services**

- What a lovely Cubanite silver 2005 Mercedes Benz CLK350 Elegance this is with only 97,000 klms since new
- excellent log books from a Mercedes Benz dealer and specialist all the way through
- a nicer set of factory alloy wheels
- we have sold this car previously
- black leather interior
- This CLK is a very straight car with no signs of interior wear
- the dash is not worn where all the buttons and dials tend to deteriorate
- things like tyres, head lining, door trims are all as you would hope for a car that has travelled such low klms per year since new.
- The previous engine in this series was the 320 and these 350's are actually a 3.5 litre engine with a newer 7-speed automatic transmission.
- Dual zone climate control air conditioning
- power steering
- electric seats
- electric steering column and so much more

– We are very proud to offer this car for sale at just under \$20K compared to others we have recently sold for quite a bit more money and this car compares in condition and drive-ability

Please take out the time to come and meet us in person and have a decent test drive of this car. It will be registered here in NSW

– we are extremely thorough about the sort of cars we buy and go over them with a fine tooth comb.

– this car will be mechanically checked over and receive a NSW roadworthy permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
