Mercedes-Benz CLK280 C209 MY06

Description

In 2005 when the new shape CLK280 Elegance was introduced as the update series which gave it a whole new front end, better 7-speed gearbox and the 3.0 litre V6 engine from Benz and this stunning example has only travelled 53,000 genuine klms since new and is just lovely in every regard. It's a very nice metallic Tansanite blue with full leather interior and being an Elegance it has factory blue tooth comparability, cruise control, dual zone climate control air conditioning and a nicer set of factory alloy wheels. There are just some Mercs that you can tell from 10 feet away a lot about the previous owner and how the car has been looked after and this car is screaming out that all the boxes have been ticked and it's a superb vehicle what ever what you look at it. We wait a long time for cars like this to pop up and very much hope you can come to our dealership in person to view the car for yourself as the photos can't do a car like this justice. We look forward to meeting you soon and it's registered in NSW until late November 2018. We met the previous owner who was an older retired gentleman who really took pride in owning this car. We met his mechanic who had a high regard for its mechanical condition.

The Oldtimer Centre® is located at 101-103 Illawarra Road, Marrickville NSW 2204.

- * located 15 minutes from Sydney Airport with plenty of off-street parking
- * very passionate expert staff have over 24 years of experience
