

Mercedes-Benz CLK320 A209

Description

There are just so many things going for this 2004 new shape Mercedes Benz CLK320 convertible Elegance model starting with the fact that it’s only travelled 100,000 klms since new and has a very good service history too. With full cream leather interior and a stunning metallic blue exterior this would have to be one of the most sought after colour combinations today and wow it really turns heads whilst driving! The factory AMG alloy wheels are in excellent condition as are the tyres, the car is fitted with factory satellite navigation, blue tooth compatible, parking sensors, an electric soft top (which has only just had $1,000.00 spent on it) ,power seats and so much more. You really need to take the time and come in to our showroom and take this very low mileage four-seater cabriolet for a drive one day soon as it really does tick so many boxes. Registered here in NSW until September 2018 we hope that you agree that this is one of those rare cars that has to be seen in person to fully appreciate.
