

Mercedes-Benz CLK320 C209

Description

With a staggeringly low 107,000 klms since new in 2004 this pillarless Mercedes Benz CLK320 Elegance Coupe in Zircon Silver with grey leather interior is simply stunning in every way. The most important thing in this industry is finding the best klms and overall the very best condition inside and out. We are so proud to offer this car for sale and really look forward to you coming into our showrooms to see it in person. They are quite simply one of the most affordable Mercs with two doors from the past 10-15 years and hopefully you agree that they will continue to hold their value very well moving forwards. The Elegance has a factory sun roof, full leather interior, cruise control and electronic speed limiter, dual zone climate control air and so much more. The paintwork, headlining, door edges, alloy wheels, tyres, carpet, dash and all the dials still look and feel like a car that has barely been used. Come in and have a test drive of this superb coupe. NSW registered until December 2018.
