Mercedes-Benz CLK350 A209 MY06

Description

2006 Mercedes Benz CLK350 Avantgarde cabriolet with only 96,000 klms since new and just lovely. This really is one of those Mercedes Benz that doesn't come up a lot in this sort of condition and if you have the time please come in and see it in person. Full service books, spare keys, Cubanite with stunning charocal leather and this CLK350 Cabriolet is priced very well in our opinion. It's an MY06 and drives so well compared to a lot of others we have been offered and said no to. Dual zone climate control air conditioning, electric soft top in perfect condition, May 2018 registration, and has been serviced very well over the years. We have sold so many of this series over the past few months and being a 350 and not a 320 is a massive bonus at this price point.

Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don't buy our cars from auction houses and we are located only 10 minutes from Sydney Airport in three indoor showrooms. Extended warranties are available from an excellent

company supported by Lloyds of London and our main aim is to form an ongoing relationship with you for many years. We're also an agent for the NSW Roads and Maritime Services so transfer of registration etc can be done at our office. Please contact us for a very personal experience and as always a great deal on price.
