

Mercedes-Benz CLK350 A209 MY08

Description

This absolutely stunning November 2007 (MY08) Mercedes Benz CLK350 Avantgarde cabriolet with only 103,000 klms since new has been owned by a true enthusiast from Orange NSW. This really is one of those Mercedes Benz that doesn’t come up a lot in this sort of condition and if you have the time please come in and see it in person. With brilliant red exterior and the perforated cream full leather ,full service books, spare keys, this CLK350 Cabriolet is priced very well in our opinion considering the mileage and the colour combination. It also has heated seats, air-conditioned seats, electric boot, additional air pneumatic adjustments, as well as air conditioning in the seats that also both have memory settings in the front. It’s an MY08 which is the very last of this series and drives so well compared to a lot of others we have been offered and said no to. Dual zone climate control air conditioning, electric soft top in perfect condition, registered in NSW until late November 2018, and has been serviced very well over the years. We have sold so many of this series over the past few months and being a 350 and not a 320 is a massive bonus at this price point.
