Mercedes-Benz CLK350 C209 MY07

## Description

\*\* Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney \*\*

- Lovely 2006 update Mercedes Benz CLK350 Avantgarde Coupe
- being a late 2006 it is known as an MY07
- very good service books and drives so so well
- newer V6 engine and better 7-speed gearbox from Benz
- was and still is by far one of the sexiest looking cars on the market
- Obsidian black with dark grey leather which in our opinion is by far the best colour combination and is very good also for resale value
- The car has a factory sun roof, blue tooth capabilities, wide colour satellite navigation, parking sensors and a very good Mercedes Benz log book from new here in Sydney
- These cars were very expensive in 06 and are a very good buy in our opinion now; considering other Mercs from this era.
- We sell a lot of this series and are becoming very fussy about what we buy and it's a real pleasure to find a car that meets our high expectations yet again.
- This is priced well compared to others we have only just recently sold here in Sydney and this car has NSW registration until December 2018.
- A very stylish pillar-less coupe with loads of power and the finishes are second to none some of the best to come out of Germany.
- we are extremely thorough about the sort of cars we buy and go over them

with a fine- tooth comb.

– this car will be mechanically checked over and receive a NSW roadworthy permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
