

Mercedes-Benz CLK350 C209 MY08

Description

We are so pleased to present this absolutely stunning 2009 Mercedes-Benz CLK 350 Avantgarde. It is finished in Cubanite over lovely parchment colour leather, with accompanying burled walnut trim. It is also equipped with the rare AMG package, which includes; Factory body-kit, AMG wheels and enhanced brakes, AMG tuned suspension and sports buckets with pneumatic bolsters and the coveted AMG exhaust, which gives the 3.5 litre V6 a very throaty resonance.

Luxuries abound with power memory seats, AMG sports steering wheel with paddle shift-ability, dual-zone climate control and an excellent Harmon Kardon premium stereo. Equipped with numerous airbags and the safety is further enhanced with Distronic radar cruise control and speed limiter.

Whilst the CLK was a very popular coupe, owing to it’s superb pillar-less design and good looks, to find an example in this extremely rare colour combination and option package with a mere 48’000kms and the very last of the series is not an easy task. Adding further appeal to this car is the fact that is was owned by a friend of the dealership and has been serviced religiously at McIntosh of Mosman, having lived a pampered garaged life on the Northshore of Sydney. We feel it will hold it’s value very well moving forward.
