Mercedes-Benz CLK500

Description

This W209 newer series automatic Mercedes Benz CLK500 Avantgarde Coupe from 2003 is a very nice example with a full Mercedes Benz service history from new. It has travelled a mere 129824 klms since new and for a V8 Merc we all know this is spare remote keys, AMG alloy wheels and the blue/grey exterior with the two-tone full grey leather trim looks extremely good. Being an Avantgarde you get full options such as a satellite navigation system, parking sensors, cruise control, sun roof, leather, larger alloys and a nice dash with a dark grey wood finish. At under \$16K this is extremely good value for money compared to other similar cars we have sold recently. It also has NSW registration until August 2018 and the paintwork, leather, dash, carpets, door trims and especially the dials and buttons on this car are in lovely order. Please take the time to come in and have a look at this CLK500 pillarless coupe and we look forward to meeting you in person.
