

Mercedes-Benz CLK55 C209

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– 2003 Australian delivered Mercedes Benz CLK55 AMG that has been extremely well serviced over the years
– black on black is the ideal colour combination and this car really stands out and turns some serious heads
– factory navigation, blue tooth compatible, sun roof, and a nice smart set of after market alloy wheels
– these AMGs have an enormous amount of power and you can tell that this example has not only been very well maintained mechanically from the service books but there are other tell-tale signs.
– the leather isn't worn out, the headliner is fresh, the carpets aren't heel marked and the headlights aren't milky from being left outside
– our business thrives on searching for above average cars like this and we are very proud to offer this one for sale
– this car is 16 years old and has travelled just over 10,000 klms per year which is nothing for a car like this
– we will thoroughly check this car over and are so excited to take you for a decent drive here at our showroom
– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy
