Mercedes-Benz CLS-Class C219

Description

**** Since 1994 our family run business has been specialising in prestige European car sales from our indoor warehouse in Sydney ****

- 2008 Mercedes Benz CLS350 in Zircon silver on black leather trim
- 39000 klms since new with a full Mercedes servicing history
- very original car with an excellent feel about it
- being a 2008 these are far more modern and have loads more features than a 2005/2006 series car.
- we sell loads of this series and this certainly is a car that ticks all the boxes
- the timber is lovely, the seats still have that Merc smell and mechanically this car is as expected – very impressive
- this V6 3.5 litre engine is stunning to drive and we believe that this model with its stunning lines will hold its value very well moving forwards
- air conditioned and heated front seats
- please take out the time to come and see this car which will be registered again here in NSW for the successful buyer
- radar cruise control, bluetooth compatible and dual zone climate control air conditioning are all standard

- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
