Mercedes-Benz CLS350 C219

Description

It's not often we get to say that a car is in near perfect original condition that 100% ticks every box but we are very proud to say that this car is truly amazing in every regard. From the perfect Mercedes service records from new, spare remote keys, stunning Cubanite paintwork with black leather and being an MY08 you get colour navigation, blue tooth and so much more. This CLS350 2007 really is a step above the rest of the cars we see and it's just such a lovely car to drive we think it's going to sell to the first serious buyer. The CLS is the most stunning 4 door coupe on the market which actually has 4 bucket seats, dual zone climate control air conditioning, CD player, parking sensors, blue tooth, speed limiter and is registered here in NSW. We have sold Mercs for 24 years and think we know an exceptional car when we see one and really hope you get a chance to come in and test drive this very very good example one day soon. NSW registration until August 2018.

Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don't buy our cars from

auction houses and we are located only 10 minutes from Sydney Airport in three indoor showrooms. Extended warranties are available from an excellent company supported by Lloyds of London and our main aim is to form an ongoing relationship with you for many years. We're also an agent for the NSW Roads and Maritime Services so transfer of registration etc can be done at our office. Please contact us for a very personal experience and as always a great deal on price.
