

Mercedes-Benz CLS350 C219 MY07

Description

It’s not often we get to say that a car is in superb original condition that 100% ticks every box but we are very proud to say that this car is truly amazing. From the excellent service records from new, stunning Obsidion black paintwork with black leather and being an MY07 you get lovely alloy wheels, colour navigation, wood grain, blue tooth, NSW registration until January 2018 and so much more. This CLS350 update 2007 model has 119,000 klms and really is a step above the rest of the cars we see and it’s just such a lovely car to drive we think it’s going to sell to the first serious buyer. The CLS is the most stunning 4 door coupe on the market which actually has 4 bucket seats, dual zone climate control air conditioning, CD player, parking sensors, and a speed limiter. We have sold Mercs for 24 years and think we know an exceptional car when we see one and really hope you get a chance to come in and test drive this car one day soon.
