

Mercedes-Benz CLS350 C219 MY07

Description

The CLS class Mercedes was the pioneer of the 4 door coupe's and remains one of, if not, the best looking one on the market of it's generation. This 2006 example has traveled a well documented and very low 109,054 km's since new. The black Nappa leather complimented with the walnut trim, leather wrapped dash and high waistline makes the interior a very special and cosseting place to sit. The CLS is for those who want a Mercedes Benz that is a little bit more special than the E class and when you consider the new price of this vehicle it represents absolutely fantastic value for money. The CLS features the 7G-tronic automatic which is one of the best transmissions to come from Benz and the performance from this V6 is staggering. We thoroughly look forward to showing you this bespoke Benz in person. It is also registered here in NSW until November 2018 and has a built in cord for an iPod/iPhone to play music.
