

Mercedes-Benz CLS350 C219 MY08

Description

It’s not often we get to say that a car is in superb original condition that 100% ticks every box but we are very proud to say that this car is truly amazing. From the excellent service records from new, stunning Obsidion black paintwork with cream leather and being an MY07 you get the nicer 18 inch alloy wheels, wider colour navigation, blue tooth and so much more. This CLS350 update 2007 model has 113,000 klms and really is a step above the rest of the cars we see and it’s just such a lovely car to drive we think it’s going to sell to the first serious buyer. The CLS is the most stunning 4 door coupe on the market which actually has 4 bucket seats, dual zone climate control air conditioning, CD player, parking sensors, and a speed limiter. We have sold Mercs for 24 years and think we know an exceptional car when we see one and really hope you get a chance to come in and test drive this car one day soon. NSW rego until May 2018 and we actually sold this car to the previous owner for just under $30K a little over a year ago.
