Mercedes-Benz CLS63 C219 MY09

## Description

This November 2009 update series Mercedes Benz CLS63 AMG has it all. 95,000 klms with service books, it's black with black leather interior, has keyless start, factory sun roof, awesome alloy wheels from Benz and keyless entry. You get bluetooth, reversing camera, the more modern wider screen navigation system and this is one of the most impressive cars to come from Mercedes Benz with a whopping 507 hp and a standard sports exhaust system in this series. Sportier 3-spoke steering wheel, radar cruise control, spare keys, and we think this car has the most stunning lines out of any Mercedes from this era and being an 09 model it will be very easy to finance still. We would love to show you this car in person and take you for a drive one day soon.

Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don't buy our cars from auction houses and we are located only 10 minutes from Sydney Airport in three indoor showrooms. Extended warranties are available from an excellent

company supported by Lloyds of London and our main aim is to form an ongoing relationship with you for many years. We're also an agent for the NSW Roads and Maritime Services so transfer of registration etc can be done at our office. Please contact us for a very personal experience and as always a great deal on price.
