about how we prepare our cars
– silky smooth to drive
– the larger sun roof is excellent for rear passengers on long drives
– the Avantgarde is the top of the range in this six cylinder W212 series
– we are so proud when cars like this come in to our dealership and hope you agree
– this is a great series to own and are very reliable and powerful; they are one of the best all round Mercs on the road today

– we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
