- this car has the most amount of options we have seen in a very long time for an E-Class
- heated front seats
- rear entertainment (factory)
- distance cruise control
- lane change/blind spot assistance
- therapeutic massage chairs
- timber steering wheel
- 3.0 litre turbo diesel engine which is very rare and desirable
- larger Avantgarde alloy wheels
- Alcantara head lining
- 123,000 klms is nothing for a 13 year old example
- this car certainly ticks all of the boxes

- the Avantgarde was the top of the range in this series
 - log books from new and has recently been to a Mercedes specialist to have all the usual things checked/repared
 - factory sunroof
 - power seats with memory
 - the interior is like new as is the body
 - it still has that “Benz” smell about it
 - this is an extremely reliable model and for under \$30K this is a bargain with these klms
 - we are so excited to show off this amazing E350
 - cruise control with speed limiter
 - navigation
 - bluetooth for your phone
 - parking sensors
 - please take out the time to come and view this car in person as you will be as excited as we are
-
- we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
