- 3.0 litre turbo diesel engine
- 7-speed automatic

- towing package which doesn't look like it's been used much
- electric sunroof
- additional lumbar support and pneumatic seat controls
- alloy wheels
- cruise control with speed limiter

- this car ticks so many boxes and we think for a 2010 model it represents excellent value for money
- just traded in on a brand new car here in Sydney and we are very fussy about how we prepare our cars
- silky smooth to drive
- the Avantgarde is the top of the range in this six cylinder W212 series
- we are so proud when cars like this come in to our dealership and hope you agree
- this is a great series to own and are very reliable and powerful; they are one of the best all round Mercs on the road today

- we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
- we are so excited to show you this fine example and look forward to meeting you in person one day soon
