- Zircon silver with Black leather interior
- 5.5 litre V8 engine is the update in this series with 7 speed G-tronic transmission
- The 5.5 litre engine produces 285Kw of power and 530Nm of torque which makes it an amazing car to drive

- superb looking vehicle from every angle
- drives perfectly
- factory sun roof
- electric seats with memory
- bluetooth for phone and music with an adaptor
- reverse camera
- Parking sensors front and rear
- factory navigation system

- the newer 5.5 litre V8 is by far the most desirable engine and was over \$175K when new
- this is a car you can tell has been extremely well looked after and we are so picky when it comes to buying a second hand Merc
- it has the additional air pneumatic settings in the front seats for side and back support
- this model is so rare and will hopefully continue to hold it's value very well moving forwards
- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
