

Mercedes-Benz E-Class E63 AMG

Description

** Since 1994 our Family run business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– What a superb, stunning and amazing car these are.
– 2006 MY 2007 new series Mercedes Benz E63 AMG
– Zircon silver with charcoal grey leather
– heated front seats
-just checked over
– Harman Kardon sound system
– only 112000 klms since new
– In fact as you can see there isn't just one word to fully describe a 2006 Mercedes Benz E63 AMG in Zircon Silver with black leather interior.
– It's an MY07 which gets you the more modern 7-speed gearbox, it has basically every option you could hope for
– good service history
– What a massive saving on the new car price and we are struggling to find a single mark or imperfection inside or outside this AMG. I
– it also has a factory sun roof
– You can also tell this car has not been thrashed not only from the way it drives and how tight it is but also due to the extremely good order of the interior, dials, buttons, headlining and door trims.
– Please take the time to come to our dealership in person and enjoy this
