

Mercedes-Benz E-Class E63 AMG

## Description

** Since 1994 our family run business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
** WINNER of the 2020 Local Business awards for Outstanding Automotive Services**

– stunning highway driven Mercedes Benz E63 AMG
– excellent servicing history from new
– 386 kW of power
– black on black
– literally looks like it has travelled 100,000 klms since new
– recently traded in on a brand new car
– air pneumatic seats
– panoramic sun roof
– update series with the extra dials for drive select modes to the right of the gear shifter
– superb value for money compared to other cars for sale
– in our preference we would always buy a higher mileage car that has been driven on the freeway as opposed to a city driven car dealing with speed humps, gutters and stop start traffic
– we have sent this car to a Mercedes mechanic for an inspection and we are going to thoroughly prepare it mechanically prior to sale.
– June 2022 registration in NSW

– one of the best sounding V8 engines from Mercedes Benz

– we are extremely thorough about the sort of cars we buy and go over them with a fine tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
