

Mercedes-Benz E-Class E63 AMG

Description

** Since 1994 our family run business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

** WINNER of the 2020 Local Business awards for Outstanding Automotive Services**

- stunning highway driven Mercedes Benz E63 AMG
- excellent servicing history from new
- 386 kW of power
- black on black
- literally looks like it has travelled 100,000 klms since new
- recently traded in on a brand new car
- air pneumatic seats
- panoramic sun roof
- update series with the extra dials for drive select modes to the right of the gear shifter
- superb value for money compared to other cars for sale
- in our preference we would always buy a higher mileage car that has been driven on the freeway as opposed to a city driven car dealing with speed humps, gutters and stop start traffic
- we have sent this car to a Mercedes mechanic for an inspection and we are going to thoroughly prepare it mechanically prior to sale.
- June 2022 registration in NSW

- one of the best sounding V8 engines from Mercedes Benz
 - we are extremely thorough about the sort of cars we buy and go over them with a fine tooth comb.
 - this car will be mechanically checked over and receive a NSW roadworthy permit
 - we are so excited to show you this fine example and look forward to meeting you in person one day soon
