– superb value for money compared to other cars for sale
– in our preference we would always buy a higher mileage car that has been driven on the freeway as opposed to a city driven car dealing with speed humps, gutters and stop start traffic
– we have sent this car to a Mercedes mechanic for an inspection and we are going to thoroughly prepare it mechanically prior to sale.
– June 2022 registration in NSW
– one of the best sounding V8 engines from Mercedes Benz

– we are extremely thorough about the sort of cars we buy and go over them with a fine tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
