

Mercedes-Benz E-Class E63 AMG

Description

** Since 1994 our family run business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

** WINNER of the 2020 Local Business awards for Outstanding Automotive Services**

- stunning Mercedes Benz E63 AMG with the factory 410kW engine upgrade
- this is the “performance pack” edition
- it adds a sport suspension, a better steering wheel that has alcantara inserts, and a carbon-fiber engine cover combined with a carbon rear spoiler from the factory.
- excellent servicing history from new
- black on black
- great history from new mainly by Mercedes Benz
- 0-100 kph in only 3.7 seconds
- alcantara head lining
- June 2024 NSW registration
- literally looks like it has travelled 110,000 klms since new
- recently traded in at our dealership from it's very fussy owner
- air pneumatic seats
- panoramic sun roof
- update series with the extra dials for drive select modes to the right of the gear shifter

- superb value for money compared to other cars for sale
- in our preference we would always buy a higher mileage car that has been driven on the freeway as opposed to a city driven car dealing with speed humps, gutters and stop start traffic
- we have sent this car to a Mercedes mechanic for an inspection and we are going to thoroughly prepare it mechanically prior to sale.
- June 2022 registration in NSW
- one of the best sounding V8 engines from Mercedes Benz

- we are extremely thorough about the sort of cars we buy and go over them with a fine tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
- we are so excited to show you this fine example and look forward to meeting you in person one day soon
