

Mercedes-Benz E-Class W124

## Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor showroom in Sydney **

– 1993 Australian delivered Mercedes Benz E220 W124 sedan
– Owned by an elderly gentlemen from the Southern Highlands, this was his retirement car and extremely well taken care of. Back in 1993, these were nearly $90k
– Drives beautifully just like a solid classic Mercedes should
– metallic blue black with Navy Blue fabric interior
– only 151,000 klms since new which is very little for a car of this vintage
– immaculate condition throughout
– we love cars like this and this is one of the finest examples we've come across in a long time
– Mercedes hub caps and steel wheels with near new tyres all-round
– this really will suit the fussiest of buyers and the air conditioning is very cold
– all original keys and radio stereo and code
– service books
– This would make a great classic which you can drive everyday and enjoy
– we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
