Mercedes-Benz E-Class W124

Description

**** Since 1994 our business has been specialising in prestige European car sales from our indoor showroom in Sydney ****

- 1993 Australian delivered Mercedes Benz E220 W124 sedan
- Owned by an elderly gentlemen from the Southern Highlands, this was his retirement car and extremely well taken care of. Back in 1993, these were nearly \$90k
- Drives beautifully just like a solid classic Mercedes should
- metallic blue black with Navy Blue fabric interior
- only 151,000 klms since new which is very little for a car of this vintage
- immaculate condition throughout
- we love cars like this and this is one of the finest examples we've come across in a long time
- Mercedes hub caps and steel wheels with near new tyres all-round
- this really will suit the fussiest of buyers and the air conditioning is very cold
- all original keys and radio stereo and code
- service books
- This would make a great classic which you can drive everyday and enjoy
- we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
