

Mercedes-Benz E200 S212 MY14

Description

This absolutely gorgeous 2013 update series Mercedes Benz E200 Touring wagon has it all. It’s a one owner car from Sydney’s Eastern Suburbs, has a vision package, is Calcite white with black leather interior and of course it’s a 7-seater. 45,000 klms, up to date Mercedes Benz service history, spare remote keys, lovely Mercedes alloy wheels and a large sun roof. This more modern series has the whole new front end, the newer headlights that are more round and the interior of the car gets you the more up-to-date navigation system, steering wheel and instrument cluster. This shape didn’t actually change until 2016 and we are very proud to offer it for sale as there are almost no wagons for sale in the country. The 4-cylinder turbo charged engine has a huge amount of power and is very fuel efficient and this car is registered here in NSW until March 2018. What a great find and we can’t want to show it to you.

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate
