

Mercedes-Benz E240 W211

Description

There are some older Mercs that you just need to come in to our dealership to fully appreciate just how good they are in real life. This 2004 Mercedes Benz E240 Elegance sedan with 186,000 klms has an excellent feel about it, good service history, spare remote keys and a load of great features. Factory sun roof, full leather, electric seats, CD player, ABS brakes and we were told by the dealership who traded the car in that the previous owners were an older couple who have fastidiously maintained and pampered the car. It has good NSW registration until September 2018 and Cubanite with light cream leather has to be one of the very best colour combinations you could hope for. We have become very fussy looking for excellent W211 chassis cars and we hope you agree that this is a stand out and will last someone for many years moving forwards. We look forward to meeting you soon in our Sydney based showroom.

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate
