Mercedes-Benz E250 CDI

Description

This is a lovely one owner from new with only 37,000 klms that has been perfectly serviced since new and it's the newer look 2010 Mercedes Benz E250 CDi turbo diesel Estate wagon with 7-seats. Spare keys are present and being the 2010 Avantgarde series you get the nicer looking alloy wheels, upgraded Harmon Kardon sound, speed limiter, rear parcel tray cover and this is one of the best colour combinations we have on offer here and it is just superb. It's a medium grey with black leather interior and it has the wider colour satellite navigation, blue tooth and a nicer interior with the aluminium upgrades. This would have been such an expensive car new compared to this very reasonable asking price and for a late model diesel Mercedes they really are one of the best medium sized wagons in the world to drive. We are so proud of this fine example and we are going to take it to our Mercedes specialist to have a thorough check over and have any items repaired prior to sale the require attention. It has registration here in NSW until January 2019 too.
