

Mercedes-Benz E250 CGI C207

## Description

This is a lovely one owner from new with only 40,000 klms that has been perfectly serviced since new and it’s the newer look 2011 Mercedes Benz E250 CDi turbo coupe. Spare keys are present and being the 2011 Avantgarde series you get the nicer looking alloy wheels, upgraded sound system, speed limiter, rear parcel tray cover and this is one of the best colour combinations we have on offer here and it is just superb. It’s a Navy Blue with tan leather interior and it has the wider colour satellite navigation, blue tooth and a nicer interior. This would have been such an expensive car new compared to this very reasonable asking price and for a late model Mercedes they really are one of the best medium sized coupes in the world to drive. We are so proud of this fine example and we are going to take it to our Mercedes specialist to have a thorough check over and have any items repaired prior to sale the require attention. It has registration here in NSW until September 2018 too.
