

Mercedes-Benz E280 W211

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– 2007 update series Mercedes Benz E280 Elegance sedan
– only 99,000 klms since new
– Zircon silver with light cream leather interior
– we actually sold this car some years ago and it has been looked after so well since then which is excellent
– just such a lovely car with an excellent history
– the elegance gets some very impressive features from the timber wood grain interior, electric seats, cruise control with speed limiter, alloy wheels and so much more
– this actually gets the very powerful 3.0 litre V6 engine with the 7-speed automatic gearbox
– the W211 series is fast becoming one of the last of the “true Mercs” left for sale
– it’s a very good, honest car and finding one of these in this sort of condition with under 100,000 klms isn’t easy
– we have sold so many of this series over the years and we can’t wait to show off this particular car which we are super proud of
– they were and are still so advance and this car ticks so many boxes.
– NSW registration until June 2020
