Mercedes-Benz E280 W211 MY06

Description

This 2006 update Mercedes Benz E280 Elegance sedan has only travelled 89,000 klms since new and it is in such lovely condition. Zircon silver with the darker grey leather interior looks superb and the car is fitted with so many great options such as being blue tooth ready, Elegance alloy wheels, electric seats, a sun roof and cruise control. The interior of the car still smells new and the dash, seats, carpets, wood grain and door trims don't have any marks on them. This is a well looked after Merc at a very sensible price. It actually has the more modern V6 engine with the 7 speed automatic gearbox which is very important. Log books are up to date and thank you to the previous owner for keeping it in such good nick.

Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don't buy our cars from auction houses and we are located only 10 minutes from Sydney Airport in three indoor showrooms. Extended warranties are available from an excellent company supported by Lloyds of London and our main aim is to form an

ongoing relationship with you for many years. We're also an agent for the NSW Roads and Maritime Services so transfer of registration etc can be done at our office. Please contact us for a very personal experience and as always a great deal on price.
