Mercedes-Benz E280 W211 MY06

## Description

We literally wait years for a car like this to come up. It's an update 2005 (MY06) Mercedes Benz E280 Elegance touring wagon with a full history from new in late 2005 and a staggeringly low 60,000 klms. It's also Zircon Silver with grey leather interior, 7 seats, sun roof, woodgrain interior, and being an Elegance get a much nicer interior and loads more features than a Classic from years before. These are highly sought after, and with around 60,000 klms since new and having been well looked after you really should be able to keep this car for a long time without losing too much money and with a lot of enjoyment. This is a car we don't expect to last long for sale and we can't wait to show you in person and hope you will agree with us that it's in exceptionally good order for a car from MY06. We will register this car for a successful buyer in NSW.
