

Mercedes-Benz E280 W211 MY07

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– 2007 update series Mercedes Benz E280 Elegance sedan
– only 85,000 klms since new
– Zircon silver with black leather interior
– not all E280’s have the wide screen colour navigation but this Elegance has it and it’s a very good option
– just such a lovely car with an excellent history
– the elegance gets some very impressive features from the timber wood grain interior, factory sun roof, electric seats, cruise control with speed limiter, alloy wheels and so much more
– this actually gets the very powerful 3.0 litre V6 engine with the 7-speed automatic gearbox
– the W211 series is fast becoming one of the last of the “true Mercs” left for sale
– it’s a very good, honest car and finding one of these in this sort of condition with under 100,000 klms isn’t easy
– we have sold so many of this series over the years and we can’t wait to show off this particular car which we are super proud of
– they were and are still so advance and this car ticks so many boxes.
– NSW registration until October 2019
– both keys are present

– paintwork, trim, head liner, alloys, and generally everything in 9.5 out of 10 condition
– please take out the time to come and have a drive of this lovely car

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
