Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

- 2007 update series Mercedes Benz E280 Elegance sedan
- only 85,000 klms since new
- Zircon silver with black leather interior
- not all E280's have the wide screen colour navigation but this Elegance has it and it's a very good option
- just such a lovely car with an excellent history
- the elegance gets some very impressive features from the timber wood grain interior, factory sun roof, electric seats, cruise control with speed limiter, alloy wheels and so much more
- this actually gets the very powerful 3.0 litre V6 engine with the 7-speed automatic gearbox
- the W211 series is fast becoming one of the last of the “true Mercs” left for sale
- it's a very good, honest car and finding one of these in this sort of condition with under 100,000 klms isn't easy
- we have sold so many of this series over the years and we can't wait to show off this particular car which we are super proud of
- they were and are still so advance and this car ticks so many boxes.
- NSW registration until October 2019
- both keys are present

- paintwork, trim, head liner, alloys, and generally everything in 9.5 out of 10 condition
- please take out the time to come and have a drive of this lovely car
- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
- we are so excited to show you this fine example and look forward to meeting you in person one day soon
